

4- Other Issues

Upon the request of the Russian Delegation, the Turkish Delegation explained that;

- For the transport operations from Turkey; in case that in the certified export declaration filled by the Turkish exporter country of departure is mentioned as Turkey and country of arrival is mentioned as Russia,
- For the transport operations from Russia; in the certified export declaration filled by the Russian exporter, with Turkish or English translation, departure and arrival countries are mentioned as Russia and Turkey, respectively,

these transport operations will be regarded as bilateral upon these documents are submitted to the inspection authorities. In case that these documents are not or cannot be submitted, former practice will apply. The mentioned above translation of the export declaration does not require a notarization or other confirmation of reliability.
